Professor Vali Siadat

Recipient of

*Deborah and Franklin Tepper Haimo Award
for Distinguished Teaching of Mathematics*

Saturday, March 7, 2009

Family and friends of Dr. Vali Siadat, distinguished Professor of Mathematics at Richard J. Daley College, are pleased to announce that he is the 2009 recipient of the prestigious Deborah and Franklin Tepper Haimo Award for Distinguished Teaching of Mathematics.

Mathematical Association of America (MAA) is the largest mathematics organization in the USA comprising the mathematician and mathematics educators of two-year and four-year colleges and research universities. The Deborah and Franklin Tepper Haimo Award is the highest teaching excellence award the organization bestows on individual mathematicians of highest teaching caliber. Dr. Vali Siadat from Richard J. Daley College is the 2009 recipient of this national award.

Let us come together to celebrate Dr. Siadat's achievements. Your participation is much appreciated. Please RSVP before March 5th, by calling Mr. Azarnoosh at (312) 925 3588.

Saturday, March 7, 2009 at 7:30PM, Shiraz Restaurant, 4425 W Montrose Ave, Chicago, IL, 60641, (773) 777-7275 – (Family style dinner at \$25.00 per person)
