The test has been canceled Oct 3, 2010

One such study, published last year, focused on more than 1,500 students taking algebra at Richard J. Daley College in Chicago between 2004 and 2006. M. Vali Siadat, the chairman of the math department there, compared the outcomes of algebra students who took weekly, cumulative quizzes over the course of the semester with those who received less rigorous, regular assessment. (Boston Globe)

Huh? Obama Invokes Slavery to Rally Democratic Base Oct 2, 2010

The only way to stop them is to turn off the computer and go back to your Algebra homework ... You couldn't be old enough to be studying algebra. (Townhall.com)

Kenyan Girls' School Success Oct 2, 2010

In other words, while there we: planted banana trees, took the girls running, decided where a volleyball net might go, practiced algebra, danced and sang, introduced the girls to the internet and even Skyped to America - every moment was lovely. I was also lucky to have two media-savvy volunteers from the ; during their week with us they helped us to capture wonderful images and stories. (National Geographic)

A conservative crosses ideological border, becomes immigration Dream Act believer Sep 30, 2010

He had to drop out because he was afraid of flunking an algebra course at Palm Beach State College. He agrees with the key concerns of the tea party and attends local meetings of conservative TV commentator Glenn Beck's 9/12 Project on the future course for the country. (The Palm Beach Post)

Acquaintances at a loss over motive of UT gunman Sep 30, 2010

At UT, Tooley was a sophomore majoring in math and actuarial studies and had already taken classes in calculus and linear algebra. "His teachers recall him with words such as 'brilliant,' 'meticulous' and 'respectful,'" Crockett principal Craig Shapiro wrote in a statement. (KOLD.com, AZ)

Jeffrey: Abolish Public Schools Sep 30, 2010

Douglas Paul Wrote: 4 hours ago (12:55 AM) You seem to be pretty dam good at "straw-manning' your self. The subject is schools yet you meander of to everything from the military to the courts and the IRS. Try to stay focused. Gerrard Wrote: 3 hours ago (2:00 AM) Hello my conservative friend. Did your children attend public or private school. As I stated previously, mine went to both private schools and private colleges. I was hell bent for leather that my kids would be well educated and had a... (Townhall.com)
